- **BAMBOO-PRODUCTS**

A beautifully designed bamboo products website built using HTML, CSS, and JavaScript to showcase eco-friendly and sustainable items.

It features a responsive layout, smooth animations, and an interactive shopping experience for modern green living.

[BAMBOO-PRODUCTS-JS.VERCEL.APP](https://bamboo-products-js.vercel.app)

- **FEELINGS-TRACKER**

A Feelings Tracker Management project built using React, Node.js, Express, and MongoDB to record, monitor, and analyze daily emotions efficiently.

It features a dynamic dashboard, secure REST APIs, and real-time data storage to help users track their mental well-being with ease.
